

WHY CHOOSE CLARKE COLLEGIATE?

2X

Scholars have a **longer school day** (7:50AM - 4:30PM), which allows for twice as much math and literacy instruction every day.

7th/8th grade scholars take **computer science** as a core academic subject - which means our kids gain a skill set that will help them think critically, work in teams & learn about the tech world.

Clarke promotes **character education** through our commitment to our core values: Rigor, Integrity, Grit, Optimism, and Risk.

Scholars have the chance to participate in **after-school sports and clubs**, including football, cheerleading, music, basketball, robotics, drama, and more.
