School Overview

The School Overview should provide a concise summary of the following:

- The proposed plan for the school;
- The geographic and population considerations of the school environment;
- The challenges particular to those considerations; and
- The applicant team’s capacity to successfully open and operate a high quality school given the above considerations.

1. **Mission and Vision.** State the mission and vision of the proposed school. The mission is a statement of the fundamental purpose of the school, describing why it exists. The vision statement outlines how the school will operate and what it will achieve in the long term. The mission and vision statement provide the foundation for the entire proposal.

The mission and vision statements, taken together, should:

- Identify the students and community to be served;
- Illustrate what success will look like; and
- Align with the purposes of the state charter school law and authorizer’s stated priorities for new schools.

2. **Educational Need and Anticipated Student Population.** Describe the anticipated student population; students’ anticipated educational needs; and non-academic challenges the school is likely to encounter. Describe the rationale for selecting the location and student body. Identify any enrollment priorities on which the program is based consistent with applicable restrictions on enrollment eligibility and selection.

3. **Education Plan/School Design.** Provide an overview of the education program of the proposed school, including major instructional methods and assessment strategies and non-negotiables of the school model. Describe the evidence that demonstrates the school model will be successful in improving academic achievement for the targeted student population. Summarize what the proposed school would do more effectively than the schools that are now serving the targeted population and how the school would achieve its goals.

4. **Community Engagement.** Describe the relationships that you have established to generate community engagement in and support for the proposed school and how you have assessed demand and/or solicited support for the school. Briefly describe these activities and summarize their results.

5. **Leadership and Governance.** As **Attachment 1**, list the members of the school’s proposed leadership team and governing board, including their roles with the school and their current job title, and employer, and full resumes (including contact information and professional biographies for each individual listed).

6. Enrollment Summary. Complete the following table, removing any rows for grades the school will not serve.
